

FOR IMMEDIATE RELEASE

königslicht releases 'daydreamer' as transmission 07

The 4:29 synth-pop recording opens the seventh node of the forthcoming album TRANSMISSION.

ONLINE, 7 August 2026 - königslicht has released 'daydreamer', a 4 minute and 29 second synth-pop recording and the seventh track in the TRANSMISSION sequence.

The release follows 'earlier' and expands the public map of the ten-track album ahead of its scheduled arrival on 4 September 2026.

The official release page brings together listening links, lyrics and the connection between 'daydreamer' and the complete TRANSMISSION sequence.
