

FOR IMMEDIATE RELEASE

KÖNIGSLICHT RECORDS opens its public register

The independent, self-operated imprint establishes a permanent home for catalogue, metadata, rights information and press materials.

ONLINE, 23 August 2026 - KÖNIGSLICHT RECORDS has opened its public register as the independent label imprint behind releases by königslicht.

The imprint brings catalogue identity, release information, rights context and official communications into one continuous public system. Its first register covers 'earlier', 'daydreamer' and the forthcoming album TRANSMISSION.

KÖNIGSLICHT RECORDS is an imprint rather than a separately registered company. It is self-operated and currently represents one active artist: königslicht.
