königslicht announces ten-track album TRANSMISSION

The album arrives on 4 September 2026 as a system of signals sent, suppressed and received too late.

ONLINE, 25 August 2026 - königslicht has announced TRANSMISSION, a ten-track album scheduled for release on 4 September 2026.

The album is organised as a connected sequence about signals: the ones we send, the ones we suppress and the ones that arrive too late. Previously released tracks 'earlier' and 'daydreamer' appear at positions four and seven.

The official album page publishes the complete sequence and full-resolution cover artwork. Further public information will be added to the KÖNIGSLICHT RECORDS press archive.
