königslicht releases ten-track album TRANSMISSION

The complete ten-track album is out now on KÖNIGSLICHT RECORDS, released on 4 September 2026.

ONLINE, 4 September 2026 — königslicht has released TRANSMISSION, a ten-track electronic album on KÖNIGSLICHT RECORDS.

The complete sequence is now available, bringing together previously released tracks “earlier” and “daydreamer” with eight further recordings. The album follows signals sent, suppressed and received too late, moving through memory, recovery, grief and the present moment.

From “king’s cross” to “now”, each track stands on its own while forming part of a continuous ten-part system. The official album page brings together the complete tracklist, individual recording pages, full-resolution artwork and listening links.

Listen to TRANSMISSION on Spotify, Apple Music, Deezer and TIDAL.

Official tracklist

01 king’s cross	06 a place
02 good as new	07 daydreamer
03 technicolour	08 proof of life
